

THE NEW WORK UTV STANDARD

The PRO XD provides industry-leading durability, serviceability and safety to deliver a utility vehicle built to withstand the toughest work environments, and ultimately, provide customers with increased durability, lower maintenance costs and improved safety features.

DURABILITY

- Heavy-duty driveline components resist corrosive conditions
- Heavy-duty suspension for industry-leading towing and payload
- Kubota® industrial tier 4 diesel engine
- Heavy duty seat material resists punctures and tears
- · Heavy-duty clutch improves belt life
- Hard surface jobsite tire for puncture and wear resistance

SERVICEABILITY

- · 200 hour maintenance interval
- · Front air intake for cleaner air ingestion
- Side access to air filter and dipstick for daily service checks
- Digital display with alarms to notify user of critical faults
- 4 same size tires, non-directional for easy replacement
- Common key sets for easy vehicle fleet management

SAFETY

- Speed limited for jobsite compliance
- Orange seat belts and decals for high visibility
- Wider foot wells for easier ingress/egress
- · Standard safety features include
 - Backup alarm
 - Horn
 - Mechanical parking brake
 - Start in park with foot on brake

Warning: Polaris PRO XD vehicles can be hazardous to operate and are not intended for on-road use. All riders should always wear head protection – such as hard hats or a helmet – that is appropriate for operating conditions and intended usage, considering factors such as intended speed, unevenness of terrain, turns in path, weather, obstacles, and other traffic. Always use seat belts and close doors (as equipped). Never engage in stunt driving, and avoid excessive speeds and sharp turns. Riding and alcohol/drugs don't mix. All riders should take a safety training course. Call 800-342-3764 for additional information.
